## SUMMARY

Highly motivated and detail-oriented software engineer with a strong foundation in computer science and a passion for building innovative solutions. Proficient in Python, with expertise in data science and web development. As a fresher in the industry, I bring a unique blend of theoretical knowledge and practical skills, with a keen eye for detail and a drive to deliver high-quality results. I am excited to apply my skills and knowledge to contribute to the success of a dynamic organization and learn from experienced professionals in the field.

---

## CAREER OBJECTIVE :

Highly motivated and detail-oriented computer science graduate with a strong passion for web development and Python programming. Seeking a challenging position in a dynamic and innovative company to apply my skills and knowledge, and to contribute to the development of cutting-edge web applications.

---

## EDUCATION

### **Bachelor of Technology**

Minor in Mathematics • Jawaharlal Nehru Technological University – Ananthapur • Ananthapur • 2025

### **Intermediate – MPC**

Minor in Mathematics • Venkata Reddy Sree Sidhartha Junior college • Madanapalli • 2021 • 6.2GPA

### **Schooling**

Minor in Mathamatics • Arogya Matha English Medium High School • Madanapalli • 2019 • 9.5 GPA

# CERTIFICATIONS

---

## **DATA SCIENCE ONLINE WORKSHOP**

INFYSKILL EDUTECH PVT LTD • 2024

## **CLOUD COMPUTING**

NPTEL • 2024

## **Common Internship Test**

Internship Studio • 2024

## **Python Master Classes**

SEL EDUTECH SOLUTIONS • 2022

• Great learning with the Trainer

## **HTML,CSS,JAVASCRIPT WORKSHOP**

SEL EDUTECH SOLUTIONS • 2022

## HOBBIES AND INTERESTS

---

**Coding and Programming:** In my free time, I enjoy coding and programming in languages such as Python, HTML, and CSS. I have developed several personal projects, to improve my skills and stay up-to-date with industry trends.

**Technology and Gadgets:** I am fascinated by the latest technology trends and gadgets. I enjoy reading about new product releases and staying informed about the latest advancements in the field.

**Teaching or Mentoring:** I enjoy teaching others and mentoring beginners in computer science and programming. I have tutored high school students in coding and problem-solving during my university's outreach program.

**Participating in Workshops:** I enjoy attending workshops and conferences related to computer science and technology, where I can learn from industry experts and network with like-minded individuals. This hobby has helped me stay updated with the latest trends and developments in the field.

**Tech Social Media:** I maintain a social media presence focused on technology.
